

You're registered: Agents in the Wild: What's New + What's Next

Hi Shengshuhang,

Thank you for registering for Agents in the Wild: What's New + What's Next with GitHub! 🎉

We're excited to show how AI agents are transforming the way teams ship value, reduce technical debt, and focus on what matters, plus, you'll get a sneak peek of what's coming in 2026.

Whether you're already using Copilot or just curious about where AI's headed, you'll walk away with tips, insights, and a sneak peek into how developers and AI are building better, together.
