

You're registered: Instructions, Custom Agents, Prompts, Skills - OhMy!

Hi Shengshuhang,

Thank you for registering for our upcoming session: Instructions, custom agents, prompts – oh my! 🎉

We’re excited to show you how GitHub Copilot can be personalized to fit your standards, architecture, and workflow, with clear explanations and live demos covering instructions, custom agents, prompts, and skills.

Whether you’re already using Copilot or just curious about where AI’s headed, you’ll walk away with tips, insights, and a sneak peek into how developers and AI are building better, together.

Event Details
Date: March 26, 2026
Location: Goldcast Magic Link
Time: 11:00 AM – 12:00 PM PST

What to Expect

- ✔ Walkthroughs of instructions, custom agents, prompts, and skills
- ✔ Live demos to help you choose and use these tools effectively
- ✔ Practical guidance for customizing Copilot to your needs
- ✔ Q&A with GitHub product experts

Look for a calendar invite along with this confirmation email. If you want to learn more or catch up on our latest AI news, check out our [Developer Docs](#) or visit [githubnext.com](#).
See you soon!

We look forward to seeing you there! 🚀

Best,

The GitHub team
